Word Cloud Competition

Calling all Swindon schools: you are invited to enter our cross curricular computing competition.

Simply visit the [Worditout.com website](http://Worditout.com) (URL below, or via the swindonrig.net [Useful Teaching Links](#) page) to create your own "Word Cloud Poem". Then print screen your creations and email them to swindonrig@gmail.com

<http://worditout.com/word-cloud/make-a-new-one>

Two .net [Gadgeteer](#) sets are up for grabs: prizes kindly donated by our colleagues at [Computing At School](#). See swindonrig.net for some examples as created by Year 4,5,6 pupils at Bishopstone PS.

Closing date is 31st January 2016. Judges will be looking for originality and fun word combinations.

Prizes will be awarded at the next Swindon Computing RIG meeting on Tuesday 16th February 2016
